Athletics General, Term 1, 2027

The Meriden Athletics program aims to promote and encourage the sport of Track and Field within the school. It allows the girls the opportunity to develop their athletic potential in all disciplines with year-round training.

Students will develop their skills and fitness levels through a quality coaching program led by our specialist coaches.

Training will commence from Tuesday 2 February (Week 2, Term 1).

Meriden encourages all girls to be involved in our sporting programs and by registering for a sport you are making a commitment to that activity and your fellow students for the whole of Term 1. If you are unable to make this commitment, please don't register for this activity.

We understand that from time to time conflicts will arise with your schedules, so there will be a period of time, after registrations close, where we will allow students to withdraw from an activity. However, once teams are finalised and places are allocated for each activity it is not possible to withdraw and obtain a refund.

Therefore, we have implemented the following procedures regarding withdrawal from a sport/activity.

- *For Term 1 Saturday Sports (Badminton, Tennis, Volleyball & Water Polo), a full credit to your school account will be made for withdrawals prior to Friday 4 December 2026. After this date, the fee paid will be forfeited.*
- *For all other Term 1 Sports, a credit to your school account of 50% of the fee will be made if you withdraw after Friday 12 February 2027.*

We thank you for your understanding.
