Green Team

General information

Green Team is a cocurricular activity for Years 7-12 (2027) dedicated to promoting environmental awareness and sustainable practices within the school community. Students work collaboratively on projects such as waste reduction, recycling initiatives, and biodiversity enhancement. Through hands-on activities and teamwork, members develop leadership, problem-solving, and communication skills while learning how to make a positive impact on the planet. Green Team fosters responsibility, initiative, and a deeper appreciation for environmental stewardship.

Coordinator	Dr Callie Reynolds Massey-Reed, creynoldsmasseyreed@meriden.nsw.edu.au

Venue	Lecture Theatre
Transport	N/A
Uniform	School uniform
Cost	N/A
Resources required	N/A

Change to activity

Meriden aims to keep any changes to cocurricular activity times and venues to a minimum; however, adjustments may occasionally be necessary due to unforeseen circumstances.

Any cancellation of sessions will be communicated to parents through the Meriden Parent App and eVe.

Attendance

Meriden encourages all girls to be involved in cocurricular programs. Participation in activities requires commitment and positive engagement. Consistent attendance helps students develop technical and soft skills, responsibility, and a sense of belonging within the school community.

Students who are unable to attend a session are expected to notify the activity coordinator with a reason for absence. Students who demonstrate low levels of attendance or engagement may be asked to meet with the Dean of Student Involvement or withdraw from the activity.

Withdrawal

While students are encouraged to commit to cocurricular activities, we understand that sometimes students may choose to withdraw due to changes in school workload, other commitments or to explore new opportunities. If this happens, students should discuss their situation with their parents and the activity coordinator. A withdrawal request should then be sent to the activity coordinator to ensure smooth communication.
