Media Team

General information

Media Team is a creative cocurricular activity for Years 7-12 (2027) where students collaborate and learn about photography, filmmaking, and podcasting through engaging technical and practical sessions. Members gain hands-on experience in visual storytelling, editing, and production while developing teamwork, communication, and creative problem-solving skills. The club also encourages students to apply their knowledge in competitions and personal projects. No prior experience is required just curiosity and enthusiasm for media and storytelling.

Change to activity

Meriden aims to keep any changes to cocurricular activity times and venues to a minimum; however, adjustments may occasionally be necessary due to unforeseen circumstances.

Any cancellation of sessions will be communicated to parents through the Meriden Parent App and eVe.

Attendance

Meriden encourages all girls to be involved in cocurricular programs. Participation in activities requires commitment and positive engagement. Consistent attendance helps students develop technical and soft skills, responsibility, and a sense of belonging within the school community.

Students who are unable to attend a session are expected to notify the activity coordinator with a reason for absence. Students who demonstrate low levels of attendance or engagement may be asked to meet with Mr Richard Hughes, the Dean of Student Involvement, or withdraw from the activity.

Withdrawal

While students are encouraged to commit to cocurricular activities, we understand that sometimes students may choose to withdraw due to changes in school workload, other commitments or to explore new opportunities. If this happens, students should discuss their situation with their parents and the activity coordinator. A withdrawal request should then be sent to the activity coordinator to ensure smooth communication.
