Speak Up Club

General information

Speak Up Club is a cocurricular activity for Years 7 to 12 (2027) which supports students in developing confidence and technical skills in public speaking. The club provides a supportive environment where members can prepare, perform, and receive feedback on speeches, poetry, and prose throughout the term. Speak Up Club is the perfect place to build confidence, creativity, and communication skills in public speaking. Members may also nominate to represent Meriden in a range of public speaking competitions such as IGSA Festival of Speech, Rostrum Voices of Youth, Plain English Speaking, Legacy Junior Competition and the UN Voice Competition

Venue	Lecture Theatre
Transport	N/A
Uniform	School uniform
Cost	N/A
Resources required	Writing equipment

Change to activity

Meriden aims to keep any changes to cocurricular activity times and venues to a minimum; however, adjustments may occasionally be necessary due to unforeseen circumstances.

Any cancellation of sessions will be communicated to parents through the Meriden Parent App and eVe.

Attendance

Meriden encourages all girls to be involved in cocurricular programs. Participation in activities requires commitment and positive engagement. Consistent attendance helps students develop technical and soft skills, responsibility, and a sense of belonging within the school community.

Students who are unable to attend a session are expected to notify the activity coordinator with a reason for absence. Students who demonstrate low levels of attendance or engagement may be asked to meet with Mr Richard Hughes, the Dean of Student Involvement, or withdraw from the activity.

Withdrawal

While students are encouraged to commit to cocurricular activities, we understand that sometimes students may choose to withdraw due to changes in school workload, other commitments or to explore new opportunities. If this happens, students should discuss their situation with their parents and the activity coordinator. A withdrawal request should then be sent to the activity coordinator to ensure smooth communication.
